# The unique features of Tplaza

## [www.tplaza.com.au](http://www.tplaza.com.au)

- ▶ Tplaza is registered in Australia as a Ecommerce platform of innovative & designer products.
- ▶ English-Chinese storeview interface aiming to international market.
- ▶ Multi-currency checkout & International payment ways.
- ▶ Tplaza is a trusted ecommerce platform with its own shop and retail franchise.
- ▶ Tplaza is a google partner. The holding company Kupiter is holding google adwords/analytic certificates.
- ▶ Tplaza is running product list campaigns in many countries through daily feeds to google.

# When a Product in Tplaza, it means

- ▶ The product Supplier is eligible to marketing worldwide
- ▶ The products will be indexed by google and other search engines, searchable worldwide and normally appear in page 1 in various search result tab
  - ▶ Generic search result in English and Chinese, see shopping ads example on next pages
  - ▶ Product listing result in USA, Canada, UK, AU & Singapore & EC countries. Note Taiwan is not yet able to run google shopping ads, so no local Taiwan company/Agency can do google shopping campaign, nor will a google product list campaign appear in Taiwan. [Click for information](#).
- ▶ The once searched products will automatically enter into [dynamic products campaign](#) in display network (websites + apps)
- ▶ People from worldwide can find and buy it from [www.Tplaza.com.au](http://www.Tplaza.com.au)
